

PROFILE OF PROF. DR. GIOVANNI BATTISTA DAGNINO

Giovanni Battista DAGNINO is Professor in the Department of Economics and Business of the University of Catania, Italy, where he is Coordinator of the PhD Program in Economics and Management and Academic Director of GRIM-Group of Research on Insurance and Banking Economics and Management. In addition, he is faculty member of the European Institute for Advanced Studies in Management in Brussels, Fellow of the Strategic Planning Society in London, and Friend of the European Investment Bank Institute in Luxembourg.

He has held visiting positions at the Tuck School of Business at Dartmouth, Wharton School, London Business School, IESE Business School, Grenoble Ecole de Management, the University of Mannheim and IAE Business School, Universidad Austral, Buenos Aires. In 2008-2010 he has served as Deputy Chair and Interim Chair of his Department. At the Tuck School of Business at Dartmouth he taught “Strategy Implementation” and “Coopetition Strategy” in the MBA program. At the University of Catania he teaches or has taught “Advanced Topics in Strategic Management” and “Research Methods” in the PhD program, as well “Finance and Strategic Management” and “Management of Global Financial Services” in the MSc in Corporate Finance.

He graduated at Bocconi University of Milan and studied Political Science and International Affairs at the University of Palermo, before receiving his PhD from the University of Catania and MURST.

He was co-chair of the 30th Anniversary Strategic Management Society Annual Conference “Strategic Management at the Crossroads” (Rome 2010), as well as of the Strategic Management Society Special Conference “New Frontiers in Entrepreneurship: Strategy Governance and Evolution” (Catania 2007). He has also co-convened the one-day workshop “Private Equity and Entrepreneurship. Mobilizing Capital for Fostering Firm Growth in Italy’s Southern Regions” (Taormina 2008), organized by the University of Catania, the University of Sannio at Benevento, and the Second University of Naples, as well as the First International Entrepreneurship Research Exemplars Conference “Entrepreneurial Ecosystems and the Diffusion of Start Ups”, co-sponsored by the Academy of Management, Entrepreneurship Division (Catania 2013).

He is Associate Editor of *Long Range Planning* and serves on the editorial boards of *Strategic Management Journal*, *Long Range Planning* (2007-2012), *Journal of Management and Governance*, *International Journal of Strategic Business Alliances*, *International Studies of Management and Organization*, *American Journal of Business* and *Economia e Politica Industriale/Journal of Industrial and Business Economics*, as well as in the scientific advisory board of Grenoble Ecole de Management.

He has served or is serving as guest editor for special issues of outlets such as *Strategic Management Journal*, *Industrial Marketing Management*, *International Studies of Management and Organization*, *Journal of Management and Governance*, *Global Strategy Journal*, and *Management Research*.

He is *Friend* of the Strategic Management Society, where he is also representative-at-large of the Competitive Strategy Interest Group, and has developed a significant experience in scientific research evaluation at the international level, and has received numerous research grants and academic recognitions for his scientific work.

His current research revolves around the strategic theory of the firm with specific focus on coopetition strategy dynamics, the relationships among strategy, governance and entrepreneurship, and the role of anchor firms and networks in regional innovation and development. He has authored/edited ten books and several articles in leading management journals.
